

Hyde Park Community Circle Meeting Minutes Nov. 16, 2015

Attendees

Present: John & Judy Clark, Teresa Farquharson, Terry MacWilliams,
Dan Young, Susan Hayes, Everett Dickenson

Welcome

Welcome to all, and welcome to new volunteer Susan Hayes.

History

A history of the Community Circle was read by Judy Clark, explaining how & why the Circle was formed. She spoke of the time HPES had a teacher's strike, dividing our town. That was when this group of kind people united with the intentions of bringing Hyde Parkers together for fun, townwide events, uniting us all with an old fashioned neighborly spirit. Each season since then, the 4 annual events have been well received and well attended.

Ongoing Planning Updates

Reviewed positions still needing volunteers, and positions now filled. Those who are not available were crossed off the lists. We're close to having all positions filled, but will be calling several more this week.

Susan Hayes will be at the Library with her children, but could help Marilyn and Terry. Extra hands are welcome!

*Setup at the Frosty Activity will start at 6:00 pm, with Ruth Hayes as

the Library Trustee with us that evening. Setting up 2 HPCC tables, and Frosty AWAY from the heat is necessary. Terry showed everyone she made 88 bell bracelets. Teresa has a LOUD handbell Marilyn will ring when it's time to board the Polar Express bus, both at the Library and the Parish Hall when it's time to return.

Planning Continued

Judy said Marilyn had been in touch with her and has contacted the bus company, a driver, and other details concerning the Frosty planning. Marilyn has arranged for the Basket for the Driver, too.

* Setup for the Lighting Ceremony will start at 5:00 pm at the Parish Hall. Lighters and Readers are to be there by 6:15 to get instructions From John C. Important to tell our volunteers this timing.

Judy has some cookie makers, waiting to hear back from others.

Dan will talk to Don Waterhouse about help hanging the wreath, once it's decided where to hang it.

Deb reported by email we have 74 lights ordered so far.
