

**Hyde Park Recreation Committee Meeting Minutes
July 19, 2012**

Present: Deanna Judkins, Deb Slayton, Gary Nolan, Ken Harvey

The Committee discussed the policies regarding the use of alcohol on other Recreation fields. Waterbury and Barre follow ASA rules. Newport allows alcohol, but not in the dugouts. Town of Waterbury gives a permit to whomever plays. Barre is on school property and allows alcohol also. The Committee's consensus was we will follow the ASA rules with no glass containers and no alcohol on the fields or in the dugouts.

The Co-Ed tournament was held July 13th and 14th and the concession stand made a profit of \$1,686.93.

The committee voted to donate \$200.00 to the Hyde Park Fire Dept for the water that they put on the fields. We will look for a storage tank (8 to 10,000 gallons) so we could have a source of water at the fields.

The overhead door for the equipment/storage area is here and will be installed by Ken's crew. The flag pole and the flag are up and look great!

We will order dryers for the two bathrooms, which will help us save on paper towels.

If the Baseball/Softball Little League wants to use the bathrooms, there will have to be someone responsible to start and stop the generator and make sure the bathrooms are clean when they leave.

The Women's League final tournament is on August 11th.
The Mackenzie Pratt tournament is being held on September 29th & 30th.

The next Rec Meeting is: Thursday, August 16, 2012
