

**Hyde Park Recreation Committee
Meeting Minutes
September 16, 2010**

Members Present: Deanna Judkins, Gary Nolan, Ken Harvey and Deb Slayton

The Committee reviewed the previous meeting minutes, Ken Harvey moved and Gary Nolan seconded a motion to approve the minutes as written. All were in favor.

Deanna completed the grant application and hand delivered it to Montpelier, This is a matching grant for \$10,200.00 for the septic system and design as well as fencing around the playground.

Ken, Arjay West from Outback Design and John Klimenock from Agency of Natural Resources went up to the fields on September 9th to do the perk tests and site evaluation for the septic to serve the concession stand and the bathrooms. Mike Dubie from the Highway Dept. operated the Village backhoe for digging the test holes. After we hear from Arjay, we are going to prep the site for the plumbing required and get the slab poured. The Committee reviewed the construction design for the restrooms and concession building.

John Klimenock from ANR stated we need a deeded easement and access to a water supply, We discussed the Manosh well and decided to have Ken get prices on drilling a well at the site.

There is going to be a softball tournament on October 2nd and 3rd to benefit Mackenzie Pratt who is battling her 3rd bout of cancer. Also, October 16th, there is going to be a Kickball tournament.

The Committee is still looking for new members, it is important we find someone from the Youth Baseball/Softball Association to be on the committee so we can coordinate their schedules and field needs.

The next Recreation meeting is Thursday, October 21st at 6:30pm.

Respectfully Submitted,

Deb Slayton
