

**Hyde Park Recreation Committee
Meeting Minutes
October 21, 2010
7:00pm**

Members Present: Gary Nolan, Ken Harvey, Deb Slayton, Nate Brigham & Chasity Fagnant

We received the Grant from the State for \$10,200.00 for the septic system and design as well as fencing around the playground.

Gary Nolan and Sam Guy from Guy's Farm & Yard met at the fields and took soil samples on each field for nutrition, Sam feels we should use Weed & Feed twice a year in the spring and summer and lime in the fall.

Arjay West has got the design done except the Well location.

We discussed starting the Concession Stand, Tatro Brothers are going to pour the cement slab, Concrete is coming from Harrison Concrete & we will be soliciting some volunteers to build the Concession Stand. We are going to check on pricing with Jr Tobin for septic tanks and D-box.

The generator was ordered and has been delivered to Larry Jourdan's shop. Larry is willing to furnish other materials at cost.

Chasity is going to get prices from the former Red Head Supply for pipe and fittings.

We are trying to find out who is the new Baseball/Softball President so she/he can come to the Recreation Meetings. This will be very helpful with scheduling and addressing any needs they may have.

Meeting was adjourned at 9:00pm

The next Recreation meeting is Thursday, November 18th at 7:00pm

Respectfully Submitted,

Deb Slayton
