

## Hyde Park Community Circle Meeting November 9, 2015

---

### Attendees

**Present:** John and Judy Clark, Everett Dickinson, Teresa Farquharson, Deb Henderson, Terry MacWilliams and Dan Young.

---

### 2016 Hyde Park Home Day Entertainment

Judy suggested we make a decision on the entertainment for Home Day 2016. John will speak with Girls Nite Out to see if they are available. He will also ask if they would recommend someone to play while they are on break. Perhaps Joe Ciccolo would be available.

Shady Rill offered to do a fund raiser for us. We should consider this for some future event.

---

### HPCC Town Representatives

The HPCC is on the agenda for the November 12 select board meeting. They will vote Teresa Farquharson, Deborah Henderson and Dan Young in as HPCC representatives.

---

### Lighting Ceremony Planning

Judy agreed to ask Mary Beattie if she would put together a basket as a thank you to the bus driver.

Terry agreed to get more bell bracelets. She will make 50 of them.

Teresa spoke with Amy Olsen and reserved the library for 12/4. Amy will also ask the library board about what options might be available for putting up the wreath after the event. Amy asked if we would be responsible for hanging the wreath or if the library would. Judy thought it would probably be a combination. Ron Rodjenski suggested perhaps the side of the HPES building. The French House might also be an option. Debbie suggested we contact the town to see if perhaps the court house building would be available even though it is under construction. Ruth Hay will be the library trustee for the night of the event. She makes sure the building is open. It was suggested we find a cooler place for Frosty to sit. It has been too hot in front of the fireplace. Judy asked Tim Yarrow to be Frosty again this year and he agreed.

Judy has a CD hooked into the speaker system for music at the Parish Hall before the ceremony begins. Nate Perham and his daughters, Madison and Ruby and Mark Isselhardt provide music at the library during the children's activities.

**Lighting Ceremony  
Planning continued**

Deb will send Marilyn the latest list of tasks for the children's activities. Marilyn is heading up this portion of the event and we're not certain what items are still outstanding.

Everett will make a shopping run for necessary supplies. So far we need 6 large chocolate bars, thank you cards, mini-marshmallows, whipped cream, milk and powdered hot chocolate.

Judy has called 8 people to make cookies. Four have agreed to make cookies (Susan Hays, Rita LeHoullier, Sherry Lefavre, Kim Lambert - gluten free). She is waiting to hear back from Diana Tischner, Marilyn May, Lucia, Kathy Barasbock.

We don't have cookie elves as yet. We will ask Raven Walters and Camille and Garrett.

Judy will ask Karen Weeks to be emcee again. Bob Stevens will be asked if Karen cannot. Everett will ask Bob if necessary.

Deb will ask Orah Moore if she will be a reader again. Carin Audet will be asked if Orah is not able to do so.

Dan got the wreath rings to Paines. The order isn't clarified because no one was there to take the order. He will follow up. The poster has been done. Teresa and Debbie's names have been listed as contacts. The speaker system is reserved. Dan talked with Mary Elpher. She will set up the key with Peggy Marcoux. Dan will give Teresa the hanging posters and order form packets as soon as they are ready.

See the two tasks documents for additional items required for the event.
