

Historical Society
Minutes of September 19, 2012

We discussed the continuation of the handicap bathroom. David Gagnier, Select Board Chair, had spoken to some of us and feels that the work should continue. Beth Bailey moved and David Griswold seconded the move to complete the project. The vote was unanimously in favor of the motion.

Report of money raised at the Old Timers celebration is as follows.

Food sales, \$137.45

Half of Gate, \$277.00

Total, \$414.45

John and Ramona Nutting's donation of \$50 brings the total for the day of \$464.45.

Send a thank you note to John and Ramona, to the Select Board and the town road crew for their help completing the fire escape at the Grange Hall.

The Alcohol policy has not been resolved by the town. The feeling of the society is that one policy should apply to all.

A discussion concerning the lack of membership came up. We need new blood in the organization, preferably young. We need to come up with some good recruiting ideas or we may just as well discontinue operating.

An agenda item for the 10/4 meeting will be the discussion of the purchase of some new chairs. The old chairs at the hall are uncomfortable and difficult for some folks to use.

Respectfully,

Harold L. Bailey, Secretary
