

HYDE PARK ROADS COMMITTEE MEETING MINUTES

November 10, 2014

*All minutes are draft until approved by the Committee;
please check future minutes for approval of these minutes.*

Members Present: Greg Paus, Jim Heath, Mike Dubie, Brian Jones
Members Absent: Troy Hayford
Others Present: Ron Rodjenski, Town Administrator

Greg opened the meeting at 4:31

1. **Recommendations** - Rodjenski handed out an updated draft of the committee's "Roads List", dated 11-10-2014, which includes road mileage, classification, property tax revenues designated for highway maintenance, and any comments or history about each road. The Committee discussed how to equally treat each type of road and decided that a policy should be written for each situation (private roads, Class 3's not being maintained, etc.). The policy statements would be forwarded to the Selectboard with the Committee's list of recommendations for action or no action to be taken for each road.
2. **State of Vermont** – The committee discussed the use of both Diggins Road and Green River Dam Road by the State of Vermont, State Park visitors, Morrisville Water & Light and forest owners such as Howard Manosh, noting that there was almost no residential use of Green River Dam Road. The Committee agreed that in order to discuss whether or not to continue town maintenance, or change the road classification, an invitation to the parties to meet with the Committee should be sent, possibly for the Committee's December. Ron will work on organizing the group meeting.
3. **Minutes** – Deferred 10-13-2014 minutes review until December.
4. **Other Business** – None
5. **Next Meeting** – December 8, 2014 at 4:30 p.m.
6. **Adjourn** – Motion by MD to adjourn, no objection.
