

Hyde Park Rec Meeting Minutes
May 23, 2013

Present: Deanna Judkins, Deb Slayton, Gary Nolan & Ken Harvey

The Committee discussed the pavilion; we need to purchase steel roofing, shiplap for the gable ends, strapping and some lumber. We already have the poles and roof trusses. The members thought we should wait on this because we need to buy fertilizer for the fields.

H.A. Manosh delivered 6 loads of infield material in exchange for the \$150.00 Co-Ed Field fee.

Dan Fagnant painted the Snack Bar in exchange for one of the Women's team's use of the field last year. Country Home Center donated the paint, Deb will send thank you notes.

Gary said the sign for the Snack Bar was done; He is going to check with Joe Phelps again at Sears for a new BBQ grill. The home run fence will be picked up soon.

Ken will call Larry Jourdan again about installing the hand dryers; Hillside Trash is bringing a dumpster to the fields this week.

The Committee discussed putting up a plaque with everyone's name on it that has donated their time on the Rec fields; this has been planned from the beginning.

There is going to be 4 Co-Ed teams and 1 Woman's Team using the fields this year.

LUHS wanted to know if they could buy the old concession stand for their use, they also stated they would build us a new building for all the tools and materials we store in there. Deanna was going to see if they would just swap the existing building for the one they propose to build.

The next meeting is: Thursday, June 20, 2013.

Respectively Submitted,
Deb Slayton
