

**Hyde Park Recreation Committee
Meeting Minutes
August 19, 2010**

Members Present: Deb Slayton, Ken Harvey, Gary Nolan and Deanna Judkins

The committee went over the grant application from the State for funding the new concession stand, to include the plumbing, concrete, electrical, generator, sinks, toilets, etc.

Brock Carriere is doing a great job mowing and raking the ball fields.

We will need fertilizer and lime this fall for the 3 fields, which is around 7 acres. Gary will check with Sam Guy for pricing.

We are going to purchase a combination lock for the gate, the old lock is still on the gate and people keep closing the gate and locking it when there are people still using the fields!

There will be a tournament this weekend, Debbie, Ken, Deanna and Deanna's Parents will do the concession stand.

The next committee meeting will be held Thursday, September 16th at 7:00pm.

The meeting adjourned at 8:30pm.

Respectfully Submitted,

Deb Slayton
