5:30 p.m. @ Lanpher Memorial Library

Participants:

- Deb Henderson
- Julie Rohleder
- John Clark
- Judy Clark
- Susan Hayes
- Teresa Farquharson
- Everett Dickinson
- Dan Young

1. Select Scribe (Susan H.) & Time Keeper (Julie)

2. Hyde Park Home Day updates

- Dan:
 - Utility bill flyer: Dan made 1500 copies of the Home Day flyer to include in the September utility bills.
 - Dan will also begin development of a special flyer for HPES to advertise opportunities for children to participate in Home Day (e.g., float, activities at the library, bouncy house, scavenger hunt, etc.)
 - Susan will check in with Diane to see if/how HPES wants to be involved; will let her know that HPCC is developing a new brochure focused on ways for families and children to enjoy Home Day.
 - Cutting Edge:
 - Banner is at Cutting Edge graphics getting new date put on. Dave Curtis is happy to have Cutting Edge serve as a sponsor for Home Day.
 - Ordered a generic banner for the Grand Marshall vehicle (can be used over many years).
 - Highway Department nixed the idea of a banner in North Hyde Park (over Rte. 100) because banners are not allowed over state roads. (Stowe places banners over Rte. 100 because the town took over responsibility for road maintenance.)
 - Lamoille Union High School: Dan spoke with principal but Home Day conflicts with homecoming. Referred Dan to Nick Allen (marching band leader).
 - Greg Paus (Silver Ridge Design) is all set to make the sidewalk signs. He is a sponsor for the event.
 - Ten Bends: Mike will call Dan back.
 - Carol Robertson (general manager of the village): Dan suggested that she display brochures about the new Hyde Park solar farm. She has a meeting with the village trustees this week and will raise this for discussion.

- Suzanne Boden (Governor's Mansion): Welcome to have the HPCC display things. Cannot block the tea sign and needs to be 25-feet back from the driveway (be sure to keep it open). Worked out well to have the spinner on the lawn last week.
- Sheriff's office: Sargent Chris Watson or Bill Morley would be happy to meet with HPCC members to discuss the activities and what support we need from the police department (lawn access, electricity, etc.)
- Linda LaClaire (County Clerk at the courthouse): Permission to use the courthouse lawn. Dan will confirm that in writing (will follow up with a letter). Question about electricity on the utility pole out front (may not be the sheriff's department's domain).
- Sound system: Are we all set? Dan will follow up on this.
- Fred's Imports: John and Judy Kaiser. Dan will contact them. Currently lawn use and sponsor (sponsoring WLVB). Need to ask them about use of their parking lot, electricity, and dumpster for trash disposal.
- Teresa:
 - Baby Bundt: Not going to be involved.
 - Checkerflag: Raffle (gift certificate for oil, lube). Teresa will pick up on Friday.
 - Fitch Hill Inn: Teresa will pick up raffle item the Friday before.

 - Lahouiller: No response yet. Teresa will follow up.
 - Leisure World: Teresa has spoken with Todd. In the past, given a raffle item from the shop or a gift certificate.
 - Lularoe: Sponsored and wants a vendor space.

- George Cook: Teresa will follow up with him about donating maple syrup for the raffle.
- Susan Martin (realtor): Will be sponsoring WLVB for \$100. Will include them in the list of sponsors for WLVB (currently WLVB sponsors include: County Oil; Polow, Polow, and Mahoney; Harveys Manufacturing Housing Inc.; Fred's Imports; Susan Martin Realty)
- Teresa will donate items to the raffle
- Upholstery shop will donate item(s) to the raffle
- Everett:
 - Everett has a college anniversary event so apologizes for not being more available that day. Will help set up in the morning.
 - Lamoille Valley Food Share: Indicated they would follow up with Deb (which they did). They organize their own fund raiser.
 - Lamoille Home Health: Mary Collins is contact. They want more information in writing. Everett was not sure what to send them. Dan will send Deb a copy of the insert; Deb will send Mary the insert and the "call to participate" form.
 - Lamoille Housing Partnership: Probably not.
 - ___: Folks have moved away, largely in Hardwick now. (Decision to take them off the list.)
 - Union Bank: Everett received sponsorship check for \$250.
- Julie:
 - Julie received a list of people to call but does not have sufficient time to make calls.
 - List included food vendors: VFW (will do fries and fried dough; would like to be at the corner of Main and Commonwealth like last year), Sweet Crunch (sandwiches, burgers, hot dogs, sweets; Julie will let her know that the Fire Department will be selling the same food; would like electricity at her booth), and Fire Department (burgers, hot dogs, chips and salsa), and Raymond.
 - Placement preferences:
 - VFW and Fire Department would like to be next to each other.
 - Raymond and Sweet Crunch will likely be in front of the courthouse (because Sweet Crunch needs power).
