Chris Hagelin, Village Resident

The Chair called the meeting to order at 6:04 p.m. The Chair called for public comments and recognized Dennis Ryan and Chris Hagelin. Chris expressed concern about speeding on Main Street and finding ways to prevent vehicles from blocking his driveway. Following discussion, Ken McPherson suggested that Chris might wish to participate in the Better Connections Grant group. The GM was directed to connect Chris to the email notifications from the Town and DuBois & King so that he may participate.

There were no additions to the agenda. Chris Sargent, DuBois & King was not present due to weather conditions.

The Chair opened the floor for discussion of ways to reduce or eliminate salt use on icy sidewalks for the safety of pet paws. This discussion was precipitated by Dennis Ryan and underscored by members of the commission. LCPC suggested a joint Town and Village grant might be obtainable to fund a project. Following discussion, the commission decided to move forward with interest in a joint grant, provided that the Town communicated interest. During the remainder of this icy season, the Village will plow and then layer sand, as directed by the commission.

Motion by Jack Anderson and second by Peter Gallo to approve the minutes of the January 9, Public Informational Hearing, Wastewater Bond. The motion carried.

There being no further business, motion by Jack Anderson and second by Peter Gallo to adjourn at 6:45 p.m. The motion carried.
