

**Minutes for the Hyde Park Energy Committee Meeting
June 24, 2019, 3:00 – 4:00pm
Hyde Park Town Office, Lower Level**

In Attendance: Jay Hersh and Elisa Clancy

Minutes from the May 2019 meeting were approved.

Made plans for the July 15th, (6:00-7:30), Hyde Park Ice Cream Social to promote the Community Fund. Carol provides Jay with forms for ratepayers to sign up for the “Roundup” program. She also created a foam core display for use at the table. Jay and Denise volunteered to staff the table.

Spoke with Ron about the “Climate Solutions Resolution” petition and requested that the select board review it at the August, 19, 2019 meeting instead of the July meeting due to the fact that the Ice Cream Social is being held at the same time and would not allow us to be present at the meeting. Some Energy Committee Members should plan to be present at the August meeting.

We discussed the creation of a HPEC eNewsletter. Elisa will discuss the idea with Carol. Jay and Denise will come up with a list of 12 Energy Saving Tips, one for each month of the newsletter.
