

# TOWN OF HYDE PARK INVITATION TO BID COURTHOUSE POCKET PARK

The Town is inviting concrete contractors to bid on the concrete work for the Lamoille County Courthouse Pocket Park "Quick Build" project in the Town of Hyde Park, VT. This project consists of, but is not limited to, two concrete projects: Removal of laid brick and the installation of a concrete ADA walkway for the Veterans Memorial (approximately 250 sf), and 2) the installation of a new 24' wide octagon concrete pad for the courthouse pocket park.

The Town Highway Department and the Village of Hyde Park will assist in this design & build "Quick Build" project funded in part by a grant from the Vermont Department of Health. Construction must be complete by October 1, 2019. The Town will complete the project once the concrete work is accepted.

A preliminary concrete design is completed for use in bidding. The award will be based on the contractor's commitment to timely completion and cost. Sealed Bids will be received by the Town Administrator, at 344 Route 15 West, Hyde Park, Vermont 05655, until Monday, July 8, 2019 at 12:00 PM, at which time they will be opened and publicly read aloud in the Town Clerk's Office. Documents may be obtained from the Town Administrator's Office, 344 Route 15 West, Hyde Park, by phone at 802-888-2300 ext. 3 or email to: [ron@hydeparkvt.com](mailto:ron@hydeparkvt.com).

This Invitation to Bid and the Preliminary Design is available for preview and download at: <http://www.hydeparkvt.com> and at the Town Clerk's Office. Any and all notifications, releases and amendments associated with this project will be posted at <http://www.hydeparkvt.com>. There is no fee for each set of documents. The Town will make no attempt to contact contractors with updated information. It is the responsibility of each contractor to periodically check the posting site for any and all notifications, releases and addendums associated with this Invitation. The Town reserves the right to reject any and all submittals and to make a contractor selection based on the needs and requirements of the Town and may select the contractor that it feels will provide the "best value" to the Town.
