Hyde Park Energy Committee Meeting, Monday 10/28/19, 3pm

Present: Elisa Clancy, Denise Greene, Christine Hallquist, Lea Kildvadyova

1. Lea Kildvadyova Button Up Vermont program workshop is coming up on November 5, 2019, discussion was focused on final items for promotion, format and set-up for the event.
2. Climate Solutions Resolution, it will be added to the agenda at Town Meeting and will need folks to speak for the item. We will put together a plan for speaking at our February meeting.
3. Community Fund: discussion centered around how that fund works and how we can tie it in with our upcoming events. Carol has handouts prepared and will provide to us.
4. Email Newsletter, discussion of who will write and maintain the database, no action on this yet.
5. Other Business: Welcomed Christine Hallquist and notified her the vote to have her added to the committee is on Nov. 19th. Lea K. was given the floor to discuss her idea for an event on December 5 in Hyde Park. She would like to focus on what was not talked about at the Button-up event, reducing energy/ electricity use and incentives and rebates for residents to utilize for saving on their electric bill. The format was discussed and logistics for getting local energy producers involved.
