March 11, 2020 (0730 EST)

Community Lifeline Status

Lifelines: Impacts and Actions

Safety and Security	Current Situation	<ul style="list-style-type: none"> No reported critical service interruptions due to absenteeism, although more questions are beginning to be asked as a concern from Fire and EMS Agencies related to the possibility of absenteeism. Vermont State Police received a report of civil unrest at a grocery store, due to long lines and low stocks.
	Future	<ul style="list-style-type: none"> The Community Action agencies are struggling with the task of feeding homeless populations who are being housed in hotels/motels. This is a big change in service for them and is presenting a huge challenge.
Food, Water, Sheltering	Current Situation	<ul style="list-style-type: none"> Site setup for the campgrounds is in progress; campers have been delivered. The Agency of Human Services is working on propane fuel and water for each camper. The Chittenden County Sheriff's Office is ready to begin security Friday night. The Agency of Human Services is finalizing plans to accept psychiatric care patients at isolation facility. A janitorial contractor site visit was conducted today at the COVID-19 patient recovery site. A meal plan still needs to be established with support for SEOC logistics. Vermont Retail and Grocers' Association (VRGA) has reported increased supply chain issues for the following categories, updated 3/24: eggs; wipes, hand sanitizer, isopropyl alcohol; paper and bath tissue; chicken. Vermont Food Bank has reported that food shelves are seeing higher than normal visitation. They are able to keep up with the demand for now, but it is notably increased. Their supply limitations are in line with that of grocery stores.
	Future	<ul style="list-style-type: none"> The Community Action agencies are struggling with the task of feeding homeless populations who are being housed in hotels/motels. This is a big change in service for them and is presenting a huge challenge.
Other Lifelines	Current Situation	<ul style="list-style-type: none"> ACCD has field 1,400 business inquiries to the Continuation of Operations Form on the Agency of Commerce and Community Development's web-page BGS stood up a donation management group that is working on a spreadsheet of the donations and potential sites for donation drops at various locations. BGS Purchasing is finalizing a contract for new source(s) for hand sanitizer from distilleries that are modifying production. Unemployment Insurance has published a website for claim filing online for affected employees. A Small Business Administration Disaster Declaration was granted statewide. The Agency of Commerce and Community Development has spread word to the business community. ACCD is tracking and responding to businesses looking to be deemed essential.
	Future	

Incident Summary	<p>A novel coronavirus (SARS-CoV-2) was first detected in China at the end of 2019. It has now spread to more than 100 locations internationally, including the United States. The disease the virus causes has been named "coronavirus disease 2019" (abbreviated "COVID-19").</p>
Key Information	<p>Current status in Vermont, last updated by the Health Department at 1300 on 3/25/20:</p> <ul style="list-style-type: none"> Positive test results: 123 Total tests conducted: 1,712 Deaths: 8 People being monitored: 342 People who have completed monitoring: 317 <p>Key Updates:</p> <ul style="list-style-type: none"> Stay-at-home orders have gone out in the states of CA, CT, DE, HI, IL, IN, LA, MA, MD, MI, NJ, NM, NY, OH, OR, WA, WV, and VT. Other smaller jurisdiction stay-at-home order can be found in the Situation Report. Vermont OSHA is promoting safety reporting during COVID-19 response. VOSHA has created an online form for employee safety and health complaints. <p>Executive Order Measures:</p> <ul style="list-style-type: none"> Gov. Scott has issued an addendum today to ask all Vermonters to "Stay Home/Stay Safe". The order will take effect on Wednesday 3/25 at 5:00pm. <ul style="list-style-type: none"> All business and not-for-profit entities shall suspend in-person business operations, and are encouraged to develop distance-based services. Vermonters are directed to stay at home or their place of residence, leaving only for essential reasons. Businesses and entities providing services or functions deemed critical to public health and safety, as well as economic and national security as set forth in the order, shall remain in operation. The Vermont Agency of Commerce and Community Development (ACCD), has developed a process for responding to questions regarding acceptable continuation of business operations. <ul style="list-style-type: none"> Gov. Phil Scott issued an order for hospitals to postpone elective surgeries and procedures. Restaurants are still able to function, but may only provide curbside pickup or delivery service. <p>Gubernatorial State of Emergency: Yes, announced 3/13/20 Local State of Emergency: Burlington, Colchester, Johnson Federal Disaster Declaration: Issued 3/13/20 Local EOCs Activated (self reported): Burlington, Waitsfield, Johnson, Hartford, Chittenden (town), Strafford, Peacham, Rutland</p>

Lifelines: Impacts and Actions

Health and Medical	Current Situation	<ul style="list-style-type: none"> In the face of limited supplies, testing is being prioritized to hospitalized patients, those in long-term care facilities, and healthcare workers. Drive-up testing available at Copley, DHMC, North Country, Northwestern, Porter, UVMHC, NVRH Hospitals with variable hours. Approximately 10 asymptomatic and short-term patients of Burlington Health and Rehab are being moved to appropriately adapted rooms at the DoubleTree by Hilton Burlington. This is a cooperative effort by the State, the UVM Medical Center and Burlington Health and Rehabilitation Center to ensure the center's patients can receive the care they need, in comfort, and isolated from further possible exposure to COVID-19. These patients will receive care by UVMHC clinicians and be discharged directly to their home after they are clinically determined to be well enough. Hospitals are receiving donations of N95s and surgical masks (or hand-made substitutes) from local providers. Three medical surge sites are being stood up during the week of 3/23/20. The Vermont Medical Surge Team is working to identify additional sites if needed. Sites currently being set up include sites in Barre, Burlington, and St. Albans. A total of 48 National Guard service members are currently on State Active Duty (SAD) supporting State operations. The SEOC Logistics Branch has put in a request for additional ventilators.
	Future	<ul style="list-style-type: none"> There are resource shortages amongst first responders as protective measures increase. Multiple hospitals are anticipating staff shortages in the next coming weeks – school closures are the most recent stressor. The US Army Corps of Engineers Planning and Response Team has been Mission Assigned by FEMA to support Medical Facility assessments and will support medical surge facility site assessments this week. COVID-19 testing and personal protective equipment supplies are becoming more scarce. Additional supplies have been requested.
