**1) Abatement request from Mary and Remi Morrissette, Benson Road:**

Chairman Bartlett asked the tax payers if there was anything they wanted to share with the board about this request. The Morrissette's indicated their request was made with the assistance of Julie Rohleder and they agree with the figures calculated by the Listers.

E. French asked how far back can we go with abatement. K. Moulton stated that per statute, there is no limit to how far back we could go.

E. French asked how the error was discovered. The Morrissette's stated it was discovered when they sold the land.

E. French made a motion that was seconded by R. Bailey to abate \$2,162.91. Motion passed by voice vote unanimously.

**2) Abatement Request from Estate of Ralph Larson, Daylight Lot, 114 Green Park East Road**

K. Moulton stated that there was no one present to represent this request. The attorneys for the estate feel that the request speaks for itself and they did not need to be present.

R. Bailey asked if this was the Webster Farm. J. Rohleder stated it was a piece off Battle Row Road.
