- 11 1) **Welcome** – No additions to the agenda or public comment.
- 12 2) **IPad Program for Selectboard** – Ron stated that the increasing use of email with attached documents
13 and links to informational sites is resulting in the need to ensure all board members have access to
14 technology. Ron also noted that it is a best practice to have all email communications go through the
15 town server for record retention purposes. The Board asked that the costs and details of how the
