

HPEC Meeting Minutes

Monday June 22, 2020

Present: Elisa Clancy, Denise Greene, Ron Rodjenski, Lea Kildekova

1. The virtual meeting was opened at 3:00
2. The Minutes for the meeting of April 27 were approved as written with a voice vote
3. Since Dan Young wasn't in attendance, our welcome was postponed until he is present.
4. EC invited RR to speak to any of the agenda items. He mentioned that the meeting room is now being used for meetings with social distancing. Utilizing the conference calling option is free and he urged the committee to utilize that as well. It is utilized for Selectboard meetings, the calendar is kept by the town clerk for scheduling this option.
5. EC is concerned that the WIFI is unreliable in the meeting room. RR will provide the number for the conference call option to utilize in subsequent meetings via email. A previous email was found with the conference call number and instructions.
6. The Lamoille County Planning Commission is hosting a webinar workshop on Wednesday June 24 at 5:30 pm called Programs and Incentives for Energy Efficiency Transformation. EC will help promote it by posting on the HPEC FB page with an advertisement targeting Lamoille County and to our mailing list via Mailchimp. DG will post the event on Front Porch Forum.
7. DG brought up the to-do items from our last meeting on April 27, 2020. Contacting Gihon Valley Community Center was listed. RR recommended attending the GVCC meeting on the subject of window upgrades. DG will attend the meeting and introduce the HPEC as a resource. Contact with the Town Garage was another item to do, Denise will call and set up a meeting to introduce HPEC as a resource.
8. No other business was brought up and the meeting was adjourned at 3:40 pm.
