

The Town of Johnson is seeking two volunteers willing to represent the Town at a study group to review the options we have for law enforcement. This study group grew out of budget conversations with the Lamoille County Sheriff's Department (LCSD). The service provided by the LCSD has been very good, but the high costs are a challenge. The group is charged to study options for maintaining quality law enforcement coverage in a financially sustainable way. The 6 member group will be made up of volunteers from towns that currently contract with the LCSD for law enforcement in their community (Johnson, Hyde Park and Wolcott). The Selectboard anticipates discussing and appointing members at its August 3<sup>rd</sup> meeting.

Good candidates have applicable skills and experiences including:

- Ability to communicate well and work collaboratively with other Board members.
- Ability to act as an engaged liaison between the study group, and the Town Selectboard
- Prior Board experience is a plus.
- Financial management skills (including bookkeeping).

Please attend the August 3<sup>rd</sup> Selectboard meeting at 7:00PM via Zoom at <https://zoom.us/> and joining Meeting ID: 344 652 2544.
