Wreath Lighting: There was discussion of giving this up to North Hyde Park, however this is the only fundraiser that generates income. The date would be Friday December 3rd. The question was asked if it could be shared like last year. Volunteers to help are Everett, Judy and John, Marilyn Z. Savannah, Beth, and Pixie can help up front. Savannah is not available 12/3/21 to help. Pixie will ask Jack and Dan if they are able to help. Savannah will ask Marianna if she and PIE would be able to help with children's activities.

Suggestions for the event would be 1 wreath at each location. Hold the ceremony at the Gihon Hall. Lights are sold for \$5.00 apiece and they are in honor or memory of anyone. A form is filled out. Savannah will contact Liz and see if HPCC can meet with North Hyde Park to work out details.

Think Spring Puppets and Plants: This event is held the 3rd Saturday in March, this year will be 3/19/21 at the elementary school. There is a hired Marionette, some crafts, small snacks, and seedlings started that families take home. Pixie is going to check with Dan Young about helping with seedling. Savannah will check if Marianna and PIE to see if they are also available to help.

The ice cream social will be scheduled for 7/18/2022.

Old Home Days will be scheduled for 9/17/2022.
